### **ABOUT VVF**

Victoria's Victory

Face It. Embrace It. Defy It. Conquer It.®

**Victoria's Victory Foundation** is a 501c3 non-profit founded by Jacqueline Arlen, owner of Project Walk Boston and Victoria Arlen, ESPN host, Topgolf Ambassador and author.

An injury or disease that impacts mobility is life-altering and something for which no one can prepare. There are tremendous medical, physical and mental challenges to be faced, all while trying to navigate a world designed for the able bodied.

Victoria's Victory Foundation's mission is to provide human dignity through a Victory Scholarship program for mobility equipment, home & vehicle modifications, caregiver hours and activity based training as well as free resources and support programs.

***You can support this mission by enjoying a day of play with VVF at Topgolf.***
